Prevent. Promote. Protect.

**Cudahy Health Department**

### 2016 Healthiest Cudahy Collaboration Meeting Minutes

April 26, 2016  
8:30AM-10:30AM  
Cudahy Family Library

Attendees: See Sign-In Sheet

#### Agenda:

1. Welcome and Introduction of new Cudahy Health Department Staff
2. Review the goals of HCC and 2015 Newsletters
  - a. Successful events helped to introduce the community to the HCC. Next, is a shift to utilize evidence-based practice when implementing programs/interventions.
3. MAPP Framework Presentation/Training
4. Review the 2016 outreach efforts for each task force
  - a. Increased efforts for all task forces on community outreach and engagement of all community sectors.
5. Announcements
  - a. CHD is applying for a grant in order to implement a childhood obesity curriculum, EatPlayGrow
  - b. The CHD shared with partners where to find Annual Report, CHA, and CHIP. These reports can be found on the CHD website under the "reports" tab. This document is available to the public.
6. Questions, comments, suggestions
  - a. Half sheets of paper were given out and collected with responses from participants.
  - b. There was a discussion surrounding AODA, especially heroin and prescription medications. This discussion emphasized the important of collaborative efforts to combat issues, such as that with heroin, within our community.
